

## **HAJI Abubakar**

*Vice President of Education with  
DePaul Leaders Toastmasters |  
House Music DJ and Producer*

HAAJi has been a Toastmaster since 2019. He originally joined with aspirations to become a motivational speaker but has since focused on developing his communication to help develop his personal pursuits. He currently serves as the Vice President of Education of DePaul Leaders Toastmasters, where his main focus is leading by example. He knows that when he shows up at his best the rest of the club will follow suit.

Outside of Toastmasters HAAJi is a house music DJ and producer. This year his goal is to book shows and release music on a regular basis. He views the skills of music and speaking as one in the same. Both give him the ability to take his audience on a journey while stretching his creative abilities, all while discovering what he is made of. You can catch HAAJi live-streaming every Sunday on Twitch under his brand AITDTV.
